David is a well-balanced print and web designer with both in-house and marketing agency experience, and a wide breadth of knowledge and skill in these fields with a passion for brainstorming and collaboration. He brings this knowledge, creativity, and sense of teamwork to all projects, achieving the very best results in the best time possible. David seeks design challenges to solve within a company passionate about their products and industry.

### EXPERIENCE

#### JR. GRAPHIC DESIGNER—SR. GRAPHIC DESIGNER

SaleAMP Inc. | 07.2012 – 06.2015

Supporting clients with full creative services including: websites, landing pages, emails, social media, paid campaigns, and branding. Managing small overseas team as well as building out internal systems and processes to allow for expansion and higher output.

#### JR. GRAPHIC DESIGNER—GRAPHIC DESIGNER

Charfen Institute | 12.2009 – 06.2012

Designing and coding emails, landing pages, reports, and other print and web deliverables for four national brands. Creating custom illustrations for Advanced Member monthly marketing collateral. Contributing to marketing efforts resulting in membership growth from 15k members to over 40k members. Creating graphics within animated videos for in-house and affiliate marketing kits.

#### CUSTOMER SERVICE REPRESENTATIVE

Charfen Institute | 12.2009

Providing positive interaction with members and future members through phone and email communication; resolving scheduling issues, updating account information, and providing technical support for user websites and marketing collateral. Part-time design work leading into full-time design role.
